January 2012

**Great Western Auto Evening  
Crowcombe Heathfield Station on the West Somerset Railway  
Saturday 24<sup>th</sup> March 2012  
(this weekend is also the WSR Spring Steam Gala)**

It is several years since we have been able to offer an evening shoot on the West Somerset Railway during a major Steam Gala, and I am pleased to be able to announce an opportunity for another go, on Saturday 24<sup>th</sup> March 2012.

The locomotive and stock will be ideal for the setting – **No.1450 and auto-coach No.178**, both in Great Western livery, posed against the backdrop of the classic Great Western station of Crowcombe Heathfield. We expect to have the loco facing chimney first into Bishops Lydeard, giving us ideal opportunities for cameos from dusk through until 21.30 hours. As No.1450 is due for repainting in the next couple of months, this could be the last opportunity for a while to capture this pairing together in authentic Great Western livery at an ideal location. All proceeds from the event will go to the West Somerset Railway.

Participants must make their own way to Crowcombe Heathfield. Admission will be by ticket only, and **numbers will be strictly limited** to allow all of those photographers attending to obtain high quality photographs. [My grateful thanks to Mike Smith for providing the lighting for this event]. Confirmation and tickets will be sent out around seven days prior to the event, so please enclose a stamped addressed envelope with your booking form and cheque. *Should the event not run for any reason, all monies will be refunded in full; however, there will be no refunds for the event if it runs and you simply choose not to or cannot attend.*

We look forward to seeing a number of you in West Somerset in March 2012.

Regards,

*David*
